

# 2023 White Co. Fair - Camping Rules

*Hintzman Memorial Campground*

**2023 Contacts: April Hall: 765-337-5340**

**Deb Foutch: 574-870-4956**

**Email: [events@whitecoag.org](mailto:events@whitecoag.org)**

- Set up will be Thursday 8am-8pm, and Friday 8am-8pm. Tear down will be on Friday 8am-6pm. If you need to setup outside of these times, please contact us using one of the methods above.
- Quiet time will be 11pm to 6am.
- Alcohol is not permitted on the fairgrounds, which includes the campground.
- The registered camper is responsible for all persons at their campsite and while those persons are in the campgrounds, whether they are registered campers or guests.
- A responsible adult over 21 must stay overnight at the campsite if campers under 21 are camping overnight.
- Any reported disturbance, illegal activity, or violation of camping rules may result in the immediate forfeiture of the campsite, immediate removal from the campground, and a ban from renting a campsite in the future.
- If the campsite is deemed forfeit for any reason, no refunds of any camping monies will be issued.
- Each site is assigned a number plate; most campsite widths are approximately 20' with 10'. Your (1) camper, including awning (and slide out if applicable) when extended, is your total camper width and must fit within your campsite.
- Each campsite is **allowed two vehicles**. If space does not permit at the campsite, overflow parking will be available. Campers will be parked as directed by an Ag Association member. Only livestock trailers with Living Quarters will be allowed at any campsite. All other trailers and excess vehicles are to be parked in the designated parking areas.
- **NO golf carts, ATV, or UTV allowed** on the campground or fairgrounds except those used for emergencies.
- Pets are allowed at the campsites only. If your pet becomes a nuisance, the White County Ag. Association reserves the right to have you remove the animal from the campground. No refunds will apply.
- Upon registration, a specific campsite will be assigned. If for some reason you wish to be re-assigned, please contact the Camping Director prior to moving to obtain permission. Additional monies may be due.
- Campfires will be allowed at the camp sites. Each fire must be contained in a fire ring. These will not be provided by the Ag Association. If the Reynolds Fire Chief determines the conditions are unsafe, each campsite will be notified personally if possible. If there is a fire after this notification, the fire will be extinguished immediately.
- When driving through the campgrounds, remember that there are always small children present going in and out through the camping areas. Use caution at all times!! Campground speed is 5 mph. If you have guests, please remind them of the precautions needed to protect any and all pedestrians.
- In addition to your camper, tents are limited to one (1) per site. Tents must be within your site. If you set up the tent and it is not in an acceptable placement, you may be asked to move it in order to comply with this rule.
- Remember, that your camping neighbors are very close; therefore, it is your duty to keep your site clean. Receptacles are provided throughout the camping areas for your convenience.
- The campsite should be left in the condition it was found.

The Ag Association is excited to be able to offer camping at the White County Fair. We hope that you have a great experience and return for years to come!
